

APPLICATION FOR ADMISSION

HOW TO APPLY

By the fall of 2009 all public universities, colleges and technical institutes will be using the new **Apply Alberta** application system. This system will speed up the processing of applications, and facilitate the electronic transfer of transcripts. You will not be charged for transcripts requested using the **Apply Alberta** system.

You may still use our paper application form, but the information will be entered into the **Apply Alberta** system. If you use this form, enclose a non-refundable application fee of **\$70 (Canadian)** if you are a Canadian Citizen or Landed Immigrant. A non-refundable application fee of **\$140 (Canadian)** must be enclosed for applicants on a Study Permit or other VISA. You may also pay by VISA, Mastercard, Cheque or money order (made payable to MacEwan). If you later submit another Application for Admission for the same term, you will be considered **ONLY** for the program indicated on the most recent application form; your **first** application **will be withdrawn**.

WHEN TO APPLY

Fall Term (September to December):

Application period opens October 1st of the previous year

Winter Term (January to April):

Application period opens February 1st of the previous year

Spring/Summer Term (May to June/July to August):

Application period opens May 1st of the previous year

Students, who have attended a private post-secondary institution in Alberta, or schools outside Alberta, are responsible for submitting transcripts from each institution attended. Two copies of transcripts from post-secondary institutions are required.

Applicants educated outside Canada should contact the agency in their area. If your official educational transcripts are not printed in English, you must also provide us with certified English language translations. Translations must be complete, literal, word-for-word, and in the same format as the original document.

It is to your advantage to apply and complete program admission requirements as early as possible since most programs can accommodate only a limited number of students. Entrance to the Winter, Spring and Summer Terms are limited to certain programs; however, some programs have multiple start dates. Contact the Office of the Registrar for a list of program offerings.

APPLICANTS WITH DISABILITIES

You are encouraged to identify yourself to Services to Students with Disabilities well in advance of commencing your studies to ensure that there is adequate time to determine and plan for appropriate accommodations. Please call 780.497.5063 to make an appointment to see a counsellor or learning disabilities specialist.
