

**Bachelor of Arts
Psychology Major
2013/2014 Academic Year**

Major Requirements

- 42 senior-level credits (non-duplicative coursework)
- 9 credits must be completed at the 300-level**
- 6 credits must be completed at the 400-level; PSYC 439 does not satisfy this requirement⁴**
- Enrolled in or completed PSYC 212 prior to declaring a Psychology major

Important Degree Planning Note:

**** Students must have completed STAT 151 and PSYC 212 in order to declare a major in Psychology****

Required Junior Level Courses

- PSYC 104
- PSYC 105 – Prerequisite is a minimum grade of C- in PSYC 104
- STAT 151 (or equivalent – STAT 141, STAT 152)

These courses can be used to satisfy part of the BA core requirements.
Please check the MacEwan academic calendar for the prerequisites for STAT 151 and MATH 114. Please note that students who have taken Math 113 previously may not take Math 114 for credit.
Additional prerequisites may be required for other courses in Psychology; consult the course descriptions in the MacEwan calendar.
