MacEwan UNIVERSITY

BACHELOR OF SCIENCE DEGREE PLANNER
SCIENCE PSYCHOLOGY HONOURS
2016/17

Core	**39 credits** from the following subject areas.		

English (6 credits) Recommended courses: ENGL 102 & ENGL 103	_____ ☐		_____ ☐
Chemistry OR Physics (6 credits – must be from same discipline) CHEM 101/102 OR CHEM 101/261 PHYS 124/126 OR PHYS 144/146	_____ ☐		_____ ☐
Biological Sciences OR Earth and Planetary Sciences **(6 credits – must be from same discipline)** BIOL 107/108 OR BIOL 107/207 OR BIOL 108/208 EASC 101/102 OR EASC 101/103 OR EASC 101/2XX (Courses must include a laboratory component) *Previously offered courses which can be used: EASC 100, 105*	BIOL 107[1] ☐		BIOL 108[1] ☐
Calculus OR Linear Algebra (3 credits) MATH 114, MATH 120, MATH 125 *Previously offered courses which can be used: MATH 113*	_____ ☐		
Mathematics, Statistics OR Computer Science (6 credits) MATH 114, MATH 120, MATH 125, MATH 115, MATH 225; STAT 151, STAT 252; CMPT 101, CMPT 103 *Previously offered courses which can be used: MATH 113, STAT 141, CMPT 114, CMPT 115*	STAT 151[1] ☐		STAT 252[1] ☐
Social Sciences (6 credits) ANTH; ECON; POLS; PSYC; SOCI	PSYC 104[1] ☐		PSYC 105[1] ☐
Arts (6 credits) ANTH; ARTE 101, ARTE 102; CLAS; COMP; DRMA 102, DRMA 149, DRMA 247; ECON; ENGL; HIST; LING; MUSC 100; PHIL; POLS; PSYC; SOCI. A Language Other than English may also be used.	_____ ☐		_____ ☐

Required Senior-Level Courses	12 credits

Three credits from:

PSYC 212: Introduction to Research Methods in Psychology[2]   _____ ☐

Nine credits from: _____ ☐

PSYC 258: Cognitive Psychology

PSYC 267: Perception   _____ ☐

PSYC 275: Brain and Behaviour   _____ ☐

PSYC 281: Principles of Behaviour   _____ ☐

Required Honours & Specialization Courses	**42 credits** of senior level (numbered 200 & above) Psychology courses, chosen from those listed on the back of this sheet. **Credits must be non-duplicative.** All Psychology courses can be used to fulfil Arts or Science credit requirements.

_____ ☐   _____ ☐   _____ ☐   _____ ☐   _____ ☐

_____ ☐   _____ ☐   _____ ☐   _____ ☐   _____ ☐

PSYC 312: Advanced Research Methods ☐   PSYC 400: Psychology Senior Seminar ☐

PSYC 499A: Honours Thesis I ☐   PSYC 499B: Honours Thesis II ☐

Approved Honours Options	**9 credits**, selected in consultation with the student's Honours supervisor. Additional Psychology courses may be chosen.

_____ ☐   _____ ☐   _____ ☐

Courses Outside the Discipline	**18 credits**, selected in consultation with the student's Honours supervisor. General requirement courses may include a maximum of 12 credits of out-of-Faculty coursework.

_____ ☐   _____ ☐   _____ ☐

_____ ☐   _____ ☐   _____ ☐

IMPORTANT PLANNING NOTES

1. **PSYC 104**, **PSYC 105**, **BIOL 107**, **BIOL 108**, **STAT 151**, and **STAT 252** are required courses for the Science Psychology Honours program, and satisfy core requirements in the B.Sc degree.
2. Students may take any of **PSYC 405**, **PSYC 406**, **PSYC 423**, **PSYC 449**, **PSYC 467**, **PSYC 496** and **PSYC 498** for credit a maximum of two times, as long as the course topic is different each time they take it.

PSYCHOLOGY COURSE OFFERINGS

- ☐ PSYC 223: Developmental Psychology
- ☐ PSYC 233: Personality
- ☐ PSYC 241: Social Psychology
- ☐ PSYC 258: Cognitive Psychology
- ☐ PSYC 267: Perception
- ☐ PSYC 275: Brain and Behaviour
- ☐ PSYC 281: Principles of Behaviour
- ☐ PSYC 301: History of Psychology
- ☐ PSYC 306: Sports Psychology
- ☐ PSYC 307: Health Psychology
- ☐ PSYC 312: Advanced Research Methods
- ☐ PSYC 324: Infant Development
- ☐ PSYC 326: Atypical Development
- ☐ PSYC 328: Adult Development and Aging
- ☐ PSYC 333: Advanced Personality
- ☐ PSYC 337: Forensic Psychology
- ☐ PSYC 339: Abnormal Psychology
- ☐ PSYC 350: Human Memory
- ☐ PSYC 355: Social Cognition
- ☐ PSYC 358: Comparative Cognition
- ☐ PSYC 367: Laboratory in Human Perception
- ☐ PSYC 370: Human Sexuality
- ☐ PSYC 373: Evolution and Human Behaviour

- ☐ PSYC 375: Applied Neuropharmacology
- ☐ PSYC 377: Human Neuropsychology
- ☐ PSYC 385: Applications of Learning
- ☐ PSYC 391: Psychology of Consciousness
- ☐ PSYC 400: Psychology Senior Seminar
- ☐ PSYC 405: Special Topics in Psychology[3]
- ☐ PSYC 406: Advanced Experimental Psychology[3]
- ☐ PSYC 408: Positive Psychology
- ☐ PSYC 423: Topics in Development[3]
- ☐ PSYC 431: Psychometrics
- ☐ PSYC 435: Introduction to Clinical Psychology
- ☐ PSYC 437: Topics in Forensic Psychology
- ☐ PSYC 438: Psychological Interviewing and Professional Skills
- ☐ PSYC 439: Psychology Field Placement
- ☐ PSYC 440: Teaching in Psychology
- ☐ PSYC 449: Topics in Social Psychology[3]
- ☐ PSYC 456: Cognitive Assessment
- ☐ PSYC 467: Special Topics in Perception[3]
- ☐ PSYC 473: Advanced Evolutionary Psychology
- ☐ PSYC 475: Comparative Neuroanatomy
- ☐ PSYC 496: Individual Research[3]
- ☐ PSYC 498: Individual Study[3]

Degree Regulation Checklist

- ☐ All degree requirements must be fulfilled with a minimum of 120 credits of non-duplicative coursework (i.e., each course can only be counted once).

- ☐ Students must complete a minimum of 60 credits toward their degree through MacEwan University to meet Academic Residency requirements, including a minimum of 15 senior-level credits with at least six of those credits at the 400-level.

- ☐ Students must complete **a minimum of 72 Science credits** toward their Bachelor of Science degree. All Psychology courses can be used to fulfill both Arts and Science credit requirements.

- ☐ Students may complete **a maximum of 48 credits at the 100-level**. Additional 100-level courses will be declared Extra to Degree (i.e., not counted towards graduation requirements).

- ☐ In order to graduate students must present a Graduation Grade Point Average (GGPA) of 3.0 or higher, with a minimum 3.3 GPA in all courses in the Honours discipline.

- ☐ Students must maintain a minimum overall 3.0 GPA while enrolled in an Honours program and must maintain a minimum 3.3 GPA in courses taken in the Honours discipline for each twelve consecutive months following acceptance into their program. Dropping below these GPA requirements will result in the student's program status to be reviewed by the discipline, and may result in the student's program status reverting to BSc with a major in the previous Honours discipline.

- ☐ Students can use a maximum of six credits with a final grade of D or D+ towards the Honours discipline, and the above noted GPA and GGPA requirements must still be met.

- ☐ Students accepted into an Honours program must complete 24 or 30-credits? in each twelve consecutive months they are in the program or they will be removed from the Honours program.

Notes

1. Students are responsible for reading the institutional and degree regulations in the current MacEwan University Academic Calendar, which is the authoritative source for institutional and degree regulations. While the checklist above and these notes provide an overview of some degree regulations, they are by no means comprehensive.

2. Students are responsible for reviewing course descriptions in the MacEwan University Academic Calendar and their grades as posted to *myStudentSystem* to ensure they have met course prerequisites. The minimum prerequisite grade for most Science courses is C-, however it may be higher especially for 300- and 400-level courses.

3. Electronic copies of this form, and other planning sheets, can be found at www.macewan.ca/bscstudent.

4. Courses numbered from 100 to 199 are junior level. Courses numbered from 200 to 499 are senior level.

5. Courses that satisfy the core requirements are normally taken at the junior level except as indicated. Students are encouraged to complete their core requirements in the first and second years of their program.

6. At times, students may wish to complete a course toward their MacEwan University degree at another post-secondary institution. To use an external course toward their MacEwan University degree, students must apply for Visiting Student permission through the Faculty of Arts and Science Program Services Office **before** they enrol at the other post-secondary institution. Courses taken without pre-approval may not be accepted. Visiting Student rules can be found online at www.macewan.ca/bscstudent.

7. At times, students may wish to take more than 15 credits in a single term. Students must apply for Credit Overload permission through the Faculty of Arts and Science Program Services Office **before** enrolling in more than 15 credits in a single term. Credit Overload rules can be found online at www.macewan.ca/bscstudent.

8. Graduation requirements are governed by the date on which a student is admitted to the Science Psychology Honours program.
