- MATH 099 is not a degree-level course and cannot be used to fulfill BA degree requirements
- The same course cannot be used to fulfill more than one requirement for a major(s) and/or minor(s). Additional course work may be required to fulfill the credit requirements of the major(s) and/or minor(s)
- Courses with the notations of W (withdrawal), AU (Audit), or TR (transfer) are not included in any GPA calculation
- Your program of study is determined by the year in which you declare your major(s) and/or minors(s)
- **All program and degree requirements must be completed by May 1st for June convocation and by October 1st for November convocation.** In other words, you cannot be in courses required for your degree in the same term that you are graduating
