

**Student Name:** \_\_\_\_\_ **Student ID:** \_\_\_\_\_ **Date:** \_\_\_\_\_

Each of the 40 spaces below is worth 3 credits and must be filled with a different course. Use the space beside the course to enter the grade. It is recommended that students starting their degree choose courses that will meet the breadth exit and degree regulation requirements noted below. [REFER TO THE ACADEMIC CALENDAR FOR PROGRAM REQUIREMENTS](#)

**PRIMARY MAJOR (Science):** \_\_\_\_\_

**Minimum requirements – see Academic Calendar**

Minimum \_\_\_\_\_ credits at the senior-level (senior-level courses include 200-, 300-, and 400-level courses) – refer to the academic calendar

Minimum \_\_\_\_\_ credits at the 300-level - refer to the academic calendar

Minimum \_\_\_\_\_ credits at the 400-level - refer to the academic calendar

Minimum 24 senior-level credits from MacEwan University, with at least 12 credits at the 300-or 400-level. All 400-level requirements are to be completed at MacEwan University

**SECONDARY MAJOR (See Notes):** \_\_\_\_\_

**Minimum requirements – see Academic Calendar**

Minimum \_\_\_\_\_ at the senior-level (senior-level courses include 200-, 300-, and 400-level courses) – refer to the academic calendar

Minimum \_\_\_\_\_ credits at the 300-level - refer to the academic calendar

Minimum \_\_\_\_\_ credits at the 400-level - refer to the academic calendar

Minimum 24 senior-level credits from MacEwan University, with at least 12 credits at the 300-or 400-level. All 400-level requirements are to be completed at MacEwan University

Students completing a secondary Arts major must ensure that they meet the minimum Science course requirements (see Degree Regulations)

**OTHER COURSES**

Other courses can be used to fulfill breadth requirements as well as courses from the major(s) or options.

Maximum 18 credits of out of faculty coursework\*

A maximum of 18 credits from one or both of your primary or secondary major disciplines can be included in this section of your degree

\*Students may also receive additional credit toward their degree based on the Cross-Faculty Course Recognition List (see Notes).

**BREADTH EXIT REQUIREMENTS**

Within your 120 credit Bachelor of Science degree, you must complete the following Breadth requirements. Classes meeting these requirements can be used toward any combination of your major, your minor, and your options.

Requirement	Course(s)
6 credits of ENGL 102 and 3 credits in university ENGL ( <b>not</b> including ENGL 111, 108 or 211)	_____
6 credits of either Chemistry or Physics (courses must have a lab component)	_____
6 credits of either Biological Sciences or Earth and Planetary Sciences (courses must have a lab component)	_____
3 credits of Mathematics (MATH 114, MATH 120 OR 125)	_____
3 credits of Mathematics, Computer Science or Statistics ( <b>not</b> including MATH 099, 160 or 170, or CMPT 104)	_____
6 credits of social sciences (ANTH, ECON, GEND, LING, POLS, PSYC, SOCI)	_____
6 credits of humanities (CLAS, COMP, HIST, HUMN, PHIL or a Language other than English)	_____

## DEGREE REGULATIONS

---

Minimum 120 credits (40 courses) of non-duplicative coursework

---

Minimum 300- and 400-level requirements for the major (refer to the academic calendar)

---

Minimum 300- and 400-level requirements for the minor (refer to the academic calendar)

---

Maximum of 15 credits (5 courses) for independent work (project, field placement, and/or individual study courses) excluding the Honours thesis. Note: specific disciplines may have further restrictions

---

Minimum of 60 credits (20 courses) completed at MacEwan University

---

Maximum of 60 credits (20 courses) in any one discipline

---

Maximum of 48 credits (16 courses) at the junior-level (100-level)

---

Minimum of 72 credits (24 courses) in Science courses

---

Overall Graduation Grade Point Average (GGPA) of 2.0 or higher

---

Minimum GPA of 2.0 on all courses credited towards the major(s)

---

Minimum GPA of 2.0 on all courses credited towards the minor(s)

---

Maximum of 3 credits (1 course) of PACT coursework (this is not a required course)

---

## IMPORTANT PLANNING NOTES

---

- The primary major must be Science. The secondary major can be Science or Arts. See Degree Regulations (above) for minimum Science course requirements.
- Cross-Faculty Course Recognition represents an agreement between programs within MacEwan University and consists of a number of approved courses that may be used in another degree. You can find the Cross-Faculty Course list on your major requirements page in the [Academic Calendar](#).
- The Faculty of Arts and Science cannot guarantee that students completing multiple majors or minors will be able to complete their degree in eight consecutive fall and winter semesters. Also, depending on the configuration of the degree, meeting the requirements may require the completion of more than 120 credits for graduation. Students are strongly encouraged to consult with an academic advisor in the Faculty of Arts and Science Advising Office and a discipline advisor in their major and minor disciplines prior to declaration.
- MacEwan students with previous credit in WRIT 101 from another MacEwan program do not require ENGL 102 but must complete the additional 3 credits of ENGL (not including ENGL 111, 108, or 211). Bachelor of Arts and Bachelor of Science students cannot take WRIT 101 in place of the ENGL 102 requirement.
- The same course cannot be used to fulfill more than one requirement for a major(s) and/or minor(s). Additional course work may be required to fulfill the credit requirements of the major(s) and/or minor(s).
- Courses with the notations of W (withdrawal), AU (Audit), or TR (transfer) are not included in any GPA calculation.
- Your program of study is determined by the year in which you declare your major(s) and/or minors(s).
- **All program and degree requirements must be completed by May 1st for June convocation and by October 1st for November convocation.** In other words, you cannot be in courses required for your degree in the same term that you are graduating.

**My Notes:**

### THIS DOCUMENT IS A GUIDE ONLY

Students are responsible for planning and understanding their degree. The information in this document, including the checklists and notes are intended to provide an overview of degree regulations, but it is not comprehensive. See the Academic Calendar for a complete list of degree regulations and specific program requirements.
