REQUIREMENT CHECKLIST CONTINUED:

DEGREE REGULATIONS

A minimum 120 credits of non-duplicative coursework
*Minimum 300- and 400-level requirements vary depending on your declared major and minor, refer to the specific applicable major and minor planning sheets. The 300- and 400- level requirements in the major or minor cannot solely consist of project, field placement, and/or individual study courses
*The maximum number of credits for independent work (project, field placement, and/or individual study courses) excluding the honours thesis is 15 credits. Specific disciplines may have further restrictions.
Minimum of 60 credits completed at MacEwan University
Maximum of 60 credits in any one discipline
Maximum of 48 credits at the 100-level
Minimum of 72 credits in Science courses
An overall Graduation Grade Point Average (GGPA) of 2.0 or higher, with a minimum GPA of 2.0 on all courses credited towards the majors and minors.
Maximum of 3CR of PACT coursework

You are responsible for planning and understanding your degree. THIS DOCUMENT IS A GUIDE ONLY. Students must read the institutional and degree regulations in the current MacEwan University Academic Calendar to ensure they meet all requirements. The checklists and notes above provide an overview of degree regulations, but they may not be comprehensive
