Junior Level Business Studies Courses

The courses listed below are not part of the business studies minor, but they may be prerequisites for required minor courses. Any courses taken from the list below will be placed into Options. Please check the academic calendar or MacEwan.ca/Arts > Disciplines > Business Studies for further information regarding prerequisites.

- ECON 101 Introduction to Microeconomics
- ECON 102 Introduction to Macroeconomics
- STAT 151 Introduction to Applied Statistics

Important Planning Notes

1. Options Requirements – Options MAY NOT include additional Business Studies minor coursework **or** courses offered outside the Faculty of Arts and Science.
2. ECON courses can be used to satisfy the Social Sciences breadth requirement of a Bachelor of Arts degree. STAT courses can be used to satisfy the Analytical Studies breadth requirement of a Bachelor of Arts degree.
3. ECON courses can be used to satisfy the Social Sciences or Arts core requirement of the Bachelor of Science degree. STAT 151 can be used to satisfy the Mathematical Sciences core requirement of a Bachelor of Science degree.
4. See the reverse side of this sheet for a listing of Business Studies courses available to Bachelor of Arts and Bachelor of Science students at MacEwan University. Please keep in mind that course offerings will vary from academic year to academic year. Students may address questions about planned course offerings to the Faculty of Arts and Science Program Services Office.
