

Post-Baccalaureate Certificate in Behaviour Analysis

Letter of Intent

Applicants to the Post-Baccalaureate Certificate in Behaviour Analysis must complete a letter of intent. Using the space on the next page, answer the following questions with complete, concise sentences and proper punctuation. Your written document is limited to 500 words.

1. What relevant coursework have you taken to prepare for continued academic study into the science and practice of behaviour analysis?
2. What relevant work and/or volunteer experience do you have that prepares you for the skills expected from an individual going into a helping profession that supports the behaviour change of another person?
3. What experiences are you hoping to gain while completing the courses and fieldwork?
4. What are your short-term and/or long-term career plans and expectations of how the Post-Baccalaureate Certificate in Behaviour Analysis will further your career goals?
