

Out of Province Placements: WCB, Liability, Accidental Injury and Accidental Death and Dismemberment Insurance

WCB and AD&D etc.

Students who are RESIDENTS of Alberta but on placement out of province are covered by WCB if they meet WCB's Section 28 Criteria which are as follows:

- Student is an Alberta resident
- Registered at an Alberta Post-Secondary Institution
- Course is recognized by Alberta Advanced Education
- Practicum is a required part of this course
- Period of time for placement is less than 12 continuous months
- Confirmed the destination province or country will accept the extension of coverage

(NOTE: *Non-Alberta resident* students will NOT be covered by WCB in out of province placements)

Students on placements out of province who are not covered by WCB will be covered by the following:

1. Provincial health care plan;
2. MacEwan accidental injury and accidental death and dismemberment policy;
and, **if** the following coverages are in place:
3. A Students' Association plan;
4. A Parental/family plan; or
5. Optionally purchased Travel Insurance.

LIABILITY Coverage:

Students are also indemnified through MacEwan University's liability policy against 3rd party claims for property damage, bodily and personal injury.

MacEwan can provide a community partner with proof that MacEwan has sufficient insurance with a "Certificate of Insurance". The partner can be "Named as an Additional Insured" if required as well.

You will need to provide the following for a Certificate of Insurance to be issued:

1. Host Organization's name
2. Address
3. Contact Name, Title, Phone Number and Email Address at Host
4. Specific Activity
5. Dates of Activity
6. Student Name
7. Amount of Liability coverage required
8. Does the Host require proof of Errors and Omissions also?
9. Does the Host wish to be named as an Additional Insured.
