

# He's not

I'd have done it all different, if i had my time back.

# mad at you.

He said that, did he?

# He wanted

# me to tell

# you.

I'm not  
leaving him  
there.

Moses fucken Sweetland, I swear to christ.

One more try.

I wanted to  
say thanks,

For the cross you put up.

Owed you  
that much.
