

### Overall Minor Requirements

- 18 senior-level, non-duplicative LEGL credits
- A minimum of 6 credits at the 300- or 400-level
- It is highly recommended that students interested in the Business Law Minor enrol in LEGL 210 by the second year of their program

### Declaration Process

The Business Law minor is a competitive minor. Students must complete or be enrolled in LEGL 210 (in Winter 2016) to be considered for this minor.

There are 10 seats available in the Business Law minor each year. Students will submit their declaration by January 15. Students who apply will be ranked by their admissions GPA, which is calculated using their most recent 24 credits of university-level course work, without breaking up a term. Applicants with the 10 highest GPAs will be admitted to the program. Students will be notified of the success or denial of their application to the Business Law minor no later than February 1.

After that time they will be released for students in the School of Business. Please plan your program and enrol early to get the best selection.

The Business Law minor is an out-of-faculty minor. Students completing an out-of-faculty minor must complete their degree options from courses offered within the Faculty of Arts and Science.
