We acknowledge that the land on which we gather in Treaty Six Territory is the traditional gathering place for many Indigenous people. We honour and respect the history, languages, ceremonies and culture of the First Nations, Métis and Inuit who call this territory home.

The First People’s connection to the land teaches us about our inherent responsibility to protect and respect Mother Earth. With this acknowledgement, we honour the ancestors and children who have been buried here, missing and murdered Indigenous women and men, and the process of ongoing collective healing for all human beings. We are reminded that we are all treaty people and of the responsibility we have to one another.

Welcome to MacEwan

Your university experience is about exploring possibilities, soaking up knowledge and learning about the world – and yourself.
WE CAN HELP YOU HIT THE GROUND RUNNING

» More than 65 degree, diploma and certificate programs
» Great teachers who are experts in their field and care about your success
» Real-world experiences, including research, volunteering and work-integrated learning
» A vibrant campus in the heart of the city

We’re here to help you follow your dreams and find your future. Get ready for an incredible university experience.

“When I applied to MacEwan, I had no idea what I wanted to study. My best advice is to keep an open mind, explore your interests and take classes that are outside your comfort zone. You might just find the perfect fit – that’s what happened to me.”

Christine, Bachelor of Arts, Honours Sociology ’22
MacEwan is located in the municipal ward O-day’min (pronounced OH-DAY-MIN), which comes from the Anishinaabe language, meaning strawberry, or heart-bery.

**IN THE HEART OF THE CITY**

We’re steps away from Canada’s largest urban park, world-class sports venues, museums, galleries, libraries, theatres, businesses, shopping, restaurants and much more.

Because we’re right in the thick of things, you have the chance to help our faculty address real-world social, public and business challenges in partnership with our downtown neighbours.
#GriffNation is always behind the Griffins hockey teams who take to the ice at Rogers Place.

Allard Hall
Music and theatre students perform in state-of-the-art facilities right on campus in Allard Hall.

Royal Alexandra Hospital
Nursing students completed paid clinical placements at hospitals during the pandemic.

Commonwealth Stadium
New partnerships with organizations including the Edmonton Elks and Edmonton International Airport to provide hands-on learning opportunities.

NiGiNan Housing
Profs and students work with social agencies to study important issues, including how Indigenous-led housing could reduce youth homelessness.

City Hall
Students worked with Edmonton Transit Service to create design solutions to help make riders feel safer.

We have hundreds of practicum, co-operative education and field placement partners - businesses, law firms, accounting firms, media outlets, government and social agencies.

"Location was important to me. When I could have arguably studied anywhere, having a local community of support and being able to connect with professionals in the real world who know and speak highly of my professors and my program meant something to me."

Alysha, Library and Information Technology Diploma '22, Dean’s Medal Recipient
LEARNING OPPORTUNITIES

Throughout your studies, you will encounter new ideas and opportunities that will inspire the path you’re on – or possibly spark an interest that takes you in a new, and maybe unexpected, direction.

GROW YOUR OWN WAY

Education may begin in the classroom, but it doesn’t end there. Our campus reaches far beyond our walls – many of our programs offer the opportunity to apply your knowledge and skills through work-integrated learning experiences and placements in the community.

And you can expand your knowledge by contributing to the research being conducted by our renowned faculty. Or delve into independent research projects of your own!

As you grow through these experiences, you will see there are other ways to complete your education. You might discover you’d rather study something else entirely. Or you may realize you want to graduate with a different credential, possibly exiting your program early or going even further in your studies than you’d planned.
Some diplomas have an option to exit with a certificate after year 1

Already have a certificate? You may be able to apply to use some or all credits towards a diploma

Graduate with a certificate

Graduate with a diploma

Already have a diploma? You may be able to apply to use some or all credits towards a degree

Graduate with a degree

Some degrees have an option to exit with a diploma after year 2

MacEwan is my second home. I began with an Arts and Cultural Management diploma, took open studies for a while, then enrolled in Early Learning and Child Care. I thought I was finally ready to move on, but now I have bigger dreams and will be working toward a Bachelor of Early Childhood Curriculum Studies.

Iris, Early Learning and Child Care Diploma '22
We’re here to support you every step of the way – from admissions to graduation and every point between.

WE CARE ABOUT YOUR SUCCESS

As a future MacEwan student, one of the best first steps you can take is to connect with our academic advisors. They’re standing by and ready to answer all of your questions. Book an appointment, chat online or sign up for a group session. MacEwan.ca/Advising

Once you’re a MacEwan student, we won’t leave you hanging! Each faculty and school has advisors to help you with program planning, and we offer a range of academic support services for learning, writing, mathematics and research to set you up for success.

As graduation approaches, we’re here to help you prepare for the next chapter with work experiences, career planning and graduate school applications.
I used Writing and Learning Services relentlessly - they shaped my writing today. If you are struggling with a paper – GO!

Sara, Bachelor of Arts, Psychology ’22
COMMUNITY MATTERS

Make new friends, explore different cultures and world views, or support a cause you’re passionate about.

BUILD YOUR COMMUNITY

» 100+ student groups
» Campus-wide events, including Pride Week, Black History Month, Mental Health Week
» kihêw waciston Indigenous Centre
» MacEwan International
» Residence
» Students’ Association of MacEwan University (SAMU)
» Sport and Wellness
We care about your physical and mental well-being, so we have people – counsellors, health nurses and peer support teams – and spaces to provide safety, acceptance and advocacy for human rights, equity, sexual and gender diversity, and Indigenous culture.

MacEwan.ca/StudentSuccess
The Griffins Athletics program provides a quality post-secondary experience. MacEwan student athletes strive for excellence in the classroom, on the playing surface and in the community.

97
ACADEMIC ALL-CANADIANS IN 2020/21
Exceptional student-athletes who achieve an academic standing of 80 per cent or better while playing on one of their university’s varsity teams.

5
CANADA WEST ALL STARS
Conference all-stars are the top players in the league as selected by head coaches in each respective sport.
We’re proud members of Canada West and U SPORTS, where our champions and all-stars compete for conference and national titles in basketball, hockey, soccer and volleyball.

WE ARE ALL GRIFFINS

Game Day
Grab your FREE student ticket for all home games and cheer your Griffins on to victory as they go head-to-head with Canada’s best. You can also apply to work game-day events or watch the action online at cw.yaretv.com.

Fan Zone
Stay updated with the latest news, scores and schedules at MacEwanGriffins.ca or follow the action @macewangriffins on social media.

On November 21, the MacEwan Griffins women’s soccer team defeated Trinity Western 3-2 to capture the first U SPORTS national championship in program history. This was MacEwan’s first national championship since the university joined U SPORTS in 2014.
Your post-secondary education is one of the biggest investments you’ll ever make. Building a budget might feel daunting, but we can help you figure out the funds you’ll need - and the best ways to access them.

@MacEwanRes
Maybe you already have your top choice program picked out. Or you’ve narrowed it down and still need to make a final decision. Or you have no idea where to even begin. That’s okay – choosing a university program is a big decision!

TAKE THE NEXT STEP THAT’S RIGHT FOR YOU

Ready to Apply?
Visit ApplyAlberta.ca today to apply online. You can indicate a first and second-choice program on your application.

Pay the $110 non-refundable application fee.

Log into myPortal.MacEwan.ca to track your application and:
» Complete additional admission criteria
» Submit transcripts and other documents
» Watch for your admission decision
» Pay your admission confirmation deposit to secure your spot
Still Deciding?
Use this viewbook to read more about the subject areas that interest you – the following pages provide highlights of all of our programs. Visit the program websites for more detailed information on admissions, careers, courses and more.

Questions?
If you have any questions about a program or admissions, email us at international@macewan.ca - we can help.

Visit MacEwan.ca/Advising to connect with one of our advisors.

Attend an event
Our next Open House takes place on Saturday, November 5, 2022 on campus. Visit MacEwan.ca/OpenHouse for updated information as we get closer to the date and watch for information sessions offered by our programs at MacEwan.ca/InfoSessions in early 2023.

Confirm admission dates and deadlines prior to applying
Visit MacEwan.ca/Admissions for important program dates.

Apply early if eligible
Some programs admit on a first-qualified, first submitted basis.

Residence-bound?
Visit MacEwan.ca/Residence to submit a separate application online.
BACHELOR OF ARTS
DEGREE | MacEwan.ca/BA
A liberal arts degree, also known as a Bachelor of Arts, allows you to explore a wide variety of subject areas, called disciplines. In addition to the specific skills and knowledge you gain in your chosen discipline, a range of learning experiences throughout your program will allow you to develop skills to think through problems critically and creatively, to work collectively on teams, and to articulate your ideas clearly.

You will graduate equipped to adapt, learn, analyze, solve problems, innovate and engage with the many challenges and opportunities our world presents.

**Program Length**
4 years

**Study Options**
- On-campus
- Full-time
- Major/minor
- Double major
- Major/double minor
- Honours (where applicable)

**Competitive Admission**
Higher minimum overall average required
Mid-60s to mid-70s
(Based on 2021/22 admissions. Subject to change. Visit MacEwan.ca/Competitive.)

**MAJORS**
- Anthropology*
- Economics*
- English*
- History
- Philosophy
- Political Science*
- Psychology*
- Sociology*
*Honours degrees are available in these majors

**DID YOU KNOW?**
You can choose a secondary major in an Arts or Science discipline.

**POST-DEGREE EDUCATION**
Our Bachelor of Arts graduates have furthered their education through graduate studies or professional programs in:
- Business
- Education
- Law

**CAREERS**
Bachelor of Arts graduates are well-suited for a wide range of careers in the public and private sectors, with some opportunities unique to certain majors.

---

BACHELOR OF SCIENCE
DEGREE | MacEwan.ca/Science
Explore and discover the world through a scientific lens as you learn the skills and tools to discriminate between fact and fiction, pose tough questions and find ways to answer them, observe and assemble evidence, and articulate your discoveries clearly and concisely. With a science degree, you have the flexibility to focus on a particular area of study (discipline) and develop expertise in the area that interests you most, or take a broader approach to position yourself as a generalist.

**Program Length**
4 years

**Study Options**
- On-campus
- Full-time
- Major/minor
- Double major
- Major/double minor
- Honours (where applicable)

**Competitive Admission**
Higher minimum overall average required
Low 70s to low 80s
(Based on 2022/23 admissions. Subject to change. Visit MacEwan.ca/Competitive.)

**MAJORS**
- Applied Statistics*
- Biological Sciences*
- Chemistry
- Computer Science
- Mathematics*
- Mathematical Sciences
- Physical Sciences
- Psychology*
*Honours degrees are available in these majors

**DID YOU KNOW?**
You can choose a secondary major in an Arts or Science discipline.

**POST-DEGREE EDUCATION**
Our Bachelor of Science graduates have furthered their education through graduate studies or professional programs in:
- Dentistry
- Medicine
- Pharmacy
- Veterinary medicine

ACCOUNTING AND STRATEGIC MEASUREMENT
DIPLOMA | MacEwan.ca/Accounting

Accountants are problem solvers, using their strong mathematical, critical thinking and communication skills to analyze situations and find solutions. This program gives you the solid foundation you need to take on the dynamic world of business. You will study financial and management accounting, tax, information technology and business law, and apply that knowledge as you learn to use accounting software and business technology, solve accounting problems and prepare financial statements.

ASIA PACIFIC MANAGEMENT
DIPLOMA | MacEwan.ca/AsiaPacific

The Asia Pacific region dominates the international marketplace, creating a high demand for business professionals with a unique set of insights and skills. Traditional courses with an international perspective will give you the solid foundation in business areas such as accounting, finance and marketing, while specialized coursework in Asian cultures, languages and histories gives you an extra edge.

MAJORS

Business Management
Broaden your horizons with foundational knowledge in management, accounting, finance, human resources, communications and business law, giving you the flexibility to take your business career in any direction you choose.

Aviation Management
Business aviation is critical to a variety of companies that require speed, efficiency, flexibility and productivity. Combine your love of flying with a business education through this program’s unique partnership with Transport Canada-approved training centres.

Insurance and Risk Management
Insurance professionals are people-focused, assessing potential risks to insure their clients against unforeseen events. This major provides knowledge in business, management, finance, communication and problem solving to prepare you to meet diverse client needs.

This program prepares you to write the Insurance Institute of Canada (IIC) exams and provides eight of the 10 courses required by the IIC toward the Chartered Insurance Professional (CIP) designation. This program is offered in a traditional two-year format, however students may choose to accelerate their studies by taking classes in the spring and summer between Year 1 and 2.

CAREERS

» Operational manager
» Project manager
» Entrepreneur
» Assistant manager
» Airline management personnel
» Claims adjuster
» Broker
» Risk management professional
» Financial analyst
» Inventory control manager

DID YOU KNOW?

The Business Management diploma is accredited by Canadian Institute of Management (CIM). Graduates meet the academic requirements for Certified in Management (CIM) and Professional Manager (P.Mgr.) designations.

The curriculum for the Insurance and Risk Management diploma includes 8 of the 10 courses required by the Insurance Institute of Canada (IIC) toward the Chartered Insurance Professional (CIP) designation.

†MacEwan University reserves the right to modify or replace the method of delivery of courses, including a temporary or permanent suspension of in-person learning in favour of online learning at any time before or during a course where the University determines that the delivery of the in-person learning presents a risk to the health or safety of the University or to a member of the MacEwan University community, or for any other reason as determined by the University. Any change in the method of delivery of courses will be announced via email notification to students’ MacEwan email addresses.
HUMAN RESOURCES MANAGEMENT

DIPLOMA | MacEwan.ca/HRManagement

Human resources professionals find win-win solutions and implement innovative practices, pulling people together to move an organization towards its goals. Learn from active professionals and gain the skills necessary to help organizations manage their most important resource – their people. You will study industry-specific topics such as staffing, compensation, benefits, training, workplace health and safety, and change management, along with traditional business courses in accounting, organizational behaviour and communications.

CAREERS
» Human resources administrator
» Corporate trainer
» Employee relations coordinator
» Staffing specialist

DID YOU KNOW?
Graduates of this diploma can apply to waive the National Knowledge Exam, a primary requirement of the Chartered Professional in Human Resources (CHPR) designation.

LIBRARY AND INFORMATION TECHNOLOGY

DIPLOMA | MacEwan.ca/LIT

Libraries are social spaces that come in many shapes, sizes and forms – public, academic, non-profit, school, corporate and government. Library technicians help users, develop and provide programming, and support literacy. They also manage and share information in a logical and timely way – a skill essential to the success of many organizations. Study the tools of the information trade with courses in computer operating systems, collection development, organization of special materials and records management.

Program Length
2 years

» Bookstore service personnel
» Consultant

DID YOU KNOW?
Graduates of this diploma can apply to waive the National Knowledge Exam, a primary requirement of the Chartered Professional in Human Resources (CHPR) designation.
PARALEGAL STUDIES
DIPLOMA | MacEwan.ca/Paralegal

Paralegals use their knowledge of the law and legal procedures to support a legal team and its clients. Strong communication skills, attention to detail and ability to work under pressure will serve you well in this dynamic, challenging career. From legal terminology to legal procedures, and communications to computer work, you’ll learn everything you need to know to prepare for a career as a paralegal.

BACHELOR OF DESIGN

DEGREE  | MacEwan.ca/Design

You are a budding 21st century designer – part creative mind and part problem solver. Discover new ways of seeing and thinking as you learn how to creatively transform messages and craft visual statements that persuade, inform, motivate or entertain. A balance of practice-based, hands-on research and theory-driven coursework prepares you to design effectively and solve communication problems to improve people’s lives.

**Program Length**

4 years
2 years (Diploma exit)

**Study Options†**

» On-campus
» Full-time

**Experiential Learning**

Design Portfolio Show + field placement options available

**Competitive Admission**

Portfolio + Statement of Intent required

**PATHWAYS**

**Visual Communication Design**

Learn about branding, advertising, publication design, visual narrative, photography, illustration, design in the 3D environment, research methods and issues related to designing in the 21st century.

**Digital Experience Design**

Focus on the skills, methods and theories that are required to design websites, applications (apps), wearables, game interfaces and other digital products. You will learn to make digital products that are useful, usable and desirable.

**Photography, Video and Motion Graphics**

Engage in the communicative aspect of photography, video and motion graphics, and gain the technological and creative expertise required to create images that command attention and concisely deliver a message or tell a story.

**Illustration**

Hone your craft through fine art drawing and painting courses and develop technical skills to deliver illustrations for print publications and digital media, such as the web, video and motion graphics.

**CAREERS**

» Graphic designer
» Brand and advertising designer
» Illustrator
» Photographer
» App and web designer
» Digital experience designer
» Game and digital interface designer
» Video and motion graphics designer

Diploma Exit

You can choose to exit with a diploma after completing the first 2 years of the Bachelor of Design program.
BACHELOR OF FINE ARTS IN ARTS AND CULTURAL MANAGEMENT

MacEwan University’s School of Continuing Education (SCE) offers pathway learning opportunities to enhance your post-secondary goals and career. SCE is located in Allard Hall.

Enhance your education

» Strengthen your degree or diploma with the Behavioural Interventions Certificate of Achievement as you focus on applied behavioural analysis in the human services field. MacEwan.ca/BICA

» Stack your degree or diploma with the Certificate of Achievement in Sustainability. MacEwan.ca/SustainabilityCertificate

» Pursue interests in photography, communication, digital media and business in short courses in the evenings and weekends.

» Stay current in the health industry with our professional health education programs and courses. MacEwan.ca/PHE

» NEW micro-credentials in Digital Marketing, Data Analytics for Financial Growth, Intelligent Supply Chain and Sustainable Business Revival to gain market-ready practical skills online and self-paced. MacEwan.ca/Micro

Don’t meet admission requirements? We can help. Increase your application competitiveness with academic upgrading. MacEwan.ca/Preparation

Improve your English language skills for post-secondary admission. MacEwan.ca/EAL

Enrol in music courses through our Conservatory of Music to prepare for auditions. MacEwan.ca/Conservatory

Foundation programs

Build the skills you need to succeed in university with preparatory and upgrading courses with our Foundation programs. Find out more about our foundation program for Indigenous students at MacEwan.ca/PFP or visit MacEwan.ca/AFP to learn about our foundation program for any Alberta student who needs support.

Education for EVERYONE
OFFICE ASSISTANT

CERTIFICATE | MacEwan.ca/OfficeAssistant

Office administrative staff are skilled at processing and managing information, proficient in the latest technology and prepared to support their team and organization to get the job done. You will develop core skills in bookkeeping and accounting, customer service and business communications. Combine your strong organizational, problem-solving and communication skills with an education in current business practices, terminology and the latest software.

**Program Length**
1 year

**Study Options**
» On-campus
» Full-time

**Experiential Learning**
Field placement

**Laddering Options**
Credits from this program may be transferable to other programs within the university, including:
» Business Management

**MAJORS**

**Administrative**
Learn how to use current software programs to process and manage information efficiently and how to perform many complex office functions.

**Medical**
Gain a solid foundation in medical office and unit clerk procedures as well as medical and pharmaceutical terminology, transcribing of physicians’ orders, taking patients’ vital signs and patient chart management.

**Legal**
Become adept with technology, understand law office procedures, gain a basic knowledge of law and learn how to work in time-sensitive situations.

**CAREER SETTINGS**
» Executive assistant
» Administrative assistant
» Unit clerk
» Medical receptionist
» Medical office assistant
» Legal assistant

**DID YOU KNOW?**

This program provides a 4-week field placement.
## 2023/24 ACADEMIC YEAR ADMISSION CHART

Competitive programs (C) Programs may be competitive based on academic and/or non-academic criteria. Programs with competitive averages require a higher minimum average for admission than indicated on this chart. Course completion dates may also vary for competitive programs. Visit [MacEwan.ca/Competitive](http://MacEwan.ca/Competitive) or the program section of this viewbook for more information. All applicants must meet English Language Proficiency (ELP) requirements [MacEwan.ca/ELP](http://MacEwan.ca/ELP).

Visit [MacEwan.ca/Admissions](http://MacEwan.ca/Admissions) for full details on admission requirements, including Regular, Mature, Previous Post-Secondary and Equity (indicated by “E” in chart) admissions.

| | | | Additional CTS courses may be considered. |

1. Any one of the following courses will meet the 30-level language other than English requirement: French 21, 20S, 20N, 30S, 30N; French 31, 31A, 31B, 31C, 30-3Y, 30-9Y; French Language Arts 20, 30, 30-1, 30-2; Français 20, 30, 30-1, 30-2; Langue et Literature 20, 30.

2. Any one of the following courses will also meet the 30-level language other than English requirement: Blackfoot Language & Culture 30; Chinese Language Arts 30; Chinese Language & Culture 30; Cree Language & Culture 30; German Language Arts 30; German Language & Culture 30; Italian Language & Culture 30; Japanese Language & Culture 30; Latin 30; Spanish Language & Culture 30; Ukrainian Language Arts 30; Ukrainian Language & Culture 30. There are other 35-level locally developed courses which may also be used to meet the language other than English requirement.

3. Equivalents of Music 30: Conservatory Canada, Grade 8 Practical and Grade IV Theory; Royal Conservatory of Music of Toronto, Grade 8 Practical and Grade II Theory; Mount Royal University, Grade 8 Practical and Grade II Theory. Documents must be presented to Alberta Education for evaluation.

4. Applicants using a Group D subject for admission must present either one 5-credit subject or any combination of two 3-credit subjects. Career and Technology Studies (CTS) courses may be used only if a minimum 5-credits are presented at the advanced level in the same subject area. Apprenticeship, Work Experience and Career and Life Management (CALM) courses are not considered for admission.

Information is as of July 2022. Visit MacEwan.ca/HighSchoolSubjects for up-to-date, accurate information.
Transfer credit, including previous successfully completed post-secondary coursework, IB courses (5 or higher), AP courses (4 or 5) and dual credit courses articulated with MacEwan University may be considered for transfer credit toward a MacEwan University credential. Transfer credit is assessed after an offer of admission has been made.

Transcripts received from institutions within Canada will automatically be assessed for transfer credit while an assessment of transcripts from institutions outside of Canada must be initiated by the student. After transcripts have been evaluated, a report of transfer credit assessment results is added to the Student Center in myStudentSystem. It is the student’s responsibility to review the transfer credit granted and to understand how it fits with the chosen program of study. Complete information on transfer credits can be found at MacEwan.ca/TransferCredit.

1 A portfolio assessment may be required before credit is granted
2 A language assessment may be required before credit is granted

Information is as of July 2022.
UNIVERSITY SUBSTITUTIONS FOR HIGH SCHOOL COURSES

This chart lists the university credit that can be substituted in cases where applicants do not present the appropriate high school subject.

CR = Credits

<table>
<thead>
<tr>
<th>GROUPS</th>
<th>UNIVERSITY-LEVEL CREDITS REQUIRED</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGLISH</td>
<td>English (6 CR)</td>
</tr>
</tbody>
</table>
| GROUP A: HUMANITIES | 1. Language other than English (6 CR)  
2. Humanities or Social Sciences (3 CR) |
| See Notes 1 |
| GROUP B: FINE ARTS | 1. Art History (3 CR)  
2. Design Studies (3 CR)  
3. Drama (3 CR)  
4. Music (3 CR) |
| GROUP C: SCIENCES | 1. Mathematics (Algebra) (3 CR)  
2. Mathematics (Calculus) (3 CR)  
3. Chemistry (3 CR)  
4. Physics (3 CR)  
5. Biology (includes Botany, Genetics, Microbiology, Zoology) (3 CR). |
| See Notes 2 and 3 |

1. SOCI 100 can be used as a substitution for Social 30-1/30-2. This is the only course that can be used to substitute for Social 30-1/30-2.
2. If no specific Group C course is listed as an admission requirement, any course from a science discipline – including PSYC 104 – can be used as a group C subject.
3. For admission into Bachelor of Science in Nursing, Botany and Zoology cannot be used as Biology 30 substitutions.

Information is as of July 2022. Visit MacEwan.ca/HighSchoolSubjects for up-to-date, accurate information.
