

## Application Form

### PSYC 439 - Field Placement in Clinical Psychology

Applications are to be emailed / submitted by the deadline (to be confirmed each term) to [psychologyplacement@macewan.ca](mailto:psychologyplacement@macewan.ca) and address your correspondence to Dr. Lori Harper.

There is a limited number of placements available in any given term, and therefore a successful application will be contingent on your grades, personal interests and skills, and a successful placement interview. You will be notified within three weeks of the application deadline regarding the status of your application and whether you are eligible for an interview with a field placement supervisor. As this is a competitive selection process which may take up to two months, you are advised to fully enroll in your program courses for the fall and winter semesters. Once successfully accepted into the Field Placement Program, you will need to adjust your course enrolments accordingly. Be advised that this course does not fulfill the 400-level requirement of the psychology major or minor.

**Please note: Successful applicants must submit the following information to the Field Placement Coordinator before they start the placement:**

- a current criminal record check which demonstrates no criminal history and includes the Vulnerability Sector Clearance.
- an updated immunization record which must include the rubella vaccine and COVID-19 vaccine.

**Further:**

**International students are not eligible to take part in a Field Placement. Please affirm that you are not an international student below.**
