Fine Art Grad Show

Edmonton – The Fine Art Grad Show is the culmination of the hard work and dedication of the graduating class of the Fine Art program at MacEwan University.

For the past two years, the students in the Fine Art program have been developing their respective art practices, and the grad show highlights their creative journey. The graduating students will showcase their drawings, paintings, sculptures and intermedia (digital art, video, sound art, performance, installation and emerging art forms).

Throughout the exhibition's run, graduating students will lead workshops inspired by what they've learned while studying in the program. The workshops and the exhibition will be held at the John and Maggie Mitchell Art Gallery in Allard Hall.
