MacEwan University announces new registrar and associate vice-president, Strategic Enrollment Management

Edmonton - MacEwan University is pleased to announce that Dr. Annette Trimbee, president and vice-chancellor, has appointed Julie Green as registrar and associate vice-president, Strategic Enrollment Management. Ms. Green's appointment takes effect on March 1, 2024.

"The new registrar and associate vice-president, Strategic Enrollment Management, will play an essential role in helping MacEwan achieve the goals of our [Teaching Greatness strategic vision](#)," says Dr. Craig Monk, MacEwan's provost and vice-president, Academic. "Ms. Green is a collaborative leader who has a proven record of both building and developing highly-functioning teams while working across units in pursuit of shared outcomes. Her student-centered and equitable approaches will inform recruitment and retention efforts as we seek to grow our enrollment to 30,000 students by 2030."

Over a career that spans more than two decades, Ms. Green has undertaken registrarial work in Newfoundland and Labrador, Nova Scotia and Ontario. She spent eight years as the registrar at the University of King's College in Halifax and has executive experience with the Association of Registrars of the Universities and Colleges of Canada (ARUCC) and, most recently, served as a senior consultant with Academica Group. She has B.A. and M.Ed. degrees from Memorial University.
