

LEADERSHIP TRAINING

Customizable Courses

Leadership Certificates

Strong leadership is essential to building engaged teams, navigating change, and supporting long-term organizational success. MacEwan University's School of Continuing Education offers Leadership certificates that build practical, transferable leadership skills through instructor-led learning, with flexible options and customized delivery through Corporate Training to align with organizational priorities and leadership levels.

Flexible Learning Options

Certificates are designed with flexibility in mind. Learners and organizations may choose between a **full certificate** pathway or a shorter **skills-focused** exit option, depending on development goals, time commitment, and workforce needs.

- Professional Development Certificate: Complete 6 required courses
- Skills Achievement: Complete 3-4 courses.

Delivery and Customization

Leadership courses can be:

- Delivered on-site, online, or on campus
- Scheduled to align with organizational timelines
- Customized with relevant case studies & scenarios
- Grouped by leadership level or role
