

IMPORTANT PLANNING NOTES

1. SOCI 241 and PSYC 241 are equivalent courses. Credit can be obtained in only one of the two courses. PSYC 241 can be used toward a Sociology Honours program.
2. Students who have previously completed SOCI 210 will not be required to take SOCI 310, as SOCI 210 and 310 are equivalent.
3. A student's SOCI 498 topic must have a theoretical focus and it must be approved by the student's faculty supervisor and the Honours Sociology advisor.
4. SOCI 426, which is a field placement course, does not satisfy the 400-level requirements of the Honours Sociology program.
5. Exit requirements are the one place in a BA degree that a student can use duplicate credit. At least 3CR on the front page of this degree planner must meet Canadian Content requirements and at least 3CR must meet International Content requirements.

DEGREE REGULATION CHECKLIST

- All degree requirements must be fulfilled with a minimum of 120 credits of non-duplicative coursework (i.e., each course listed on the front of this page can only be counted once).
- Students must complete a minimum of 60 credits toward their degree through MacEwan University to meet Academic Residency requirements, including a minimum of 15 senior-level credits with at least six of those credits at the 400-level.
- Students may complete a **maximum of 48 credits at the 100-level**. Additional 100-level courses will be declared Extra to Degree (i.e., not counted towards graduation requirements).
- A maximum of 9 credits of 100-level English are permitted towards completion of the BA degree. ENGL 108 and ENGL 111 **cannot** be used toward the BA degree.
- Students must present a Graduation Grade Point Average (GGPA) of 3.0 or higher, with a minimum 3.3 GPA in all courses in the Honours discipline.
- Students must maintain a minimum overall 3.0 GPA while enrolled in an Honours program and must maintain a minimum 3.3 GPA in all courses taken in the Honours discipline for each twelve consecutive months following acceptance into their program. Dropping below these GPA requirements will result in the student's program status reverting to BA Undeclared.
- Students can use a maximum of six credits with a final grade of D or D+ towards the Honours discipline, and the above noted GPA and GGPA requirements must still be met.
- Students accepted into an Honours program must complete 30-credits in each twelve consecutive months they are in the program or they will be removed from the Honours program.

NOTES

1. Students are responsible to read the institutional and degree regulations in the current MacEwan University Academic Calendar. While the checklist above and these notes provide an overview of some degree regulations, they are not comprehensive.
2. Students are responsible for reviewing course descriptions in the MacEwan University Academic Calendar and their grades as posted to *myStudentSystem* to ensure they have met course prerequisites. The minimum prerequisite grade for most Arts courses is C-, however it may be higher especially for 300- and 400-level courses.
3. Courses numbered from 100 to 199 are junior level. Courses numbered from 200 to 499 are senior level.
4. Students are encouraged to complete their core requirements in the first and second years of their program. Core requirement courses are usually junior level, with the possible exception of Language Other than English courses.
5. At times, students may wish to complete a course toward their MacEwan University degree at another post-secondary institution. To use an external course toward their MacEwan University degree, students must apply for Visiting Student permission through the Faculty of Arts and Science Program Services Office **before** they enrol at the other post-secondary institution. Courses taken without pre-approval may not be accepted. Visiting Student rules can be found online at www.macewan.ca/bastudent.
6. At times, students may wish to take more than 15 credits in a single term. Students must apply for Credit Overload permission through the Faculty of Arts and Science Program Services Office **before** enrolling in more than 15 credits in a single term. Credit Overload rules can be found online at www.macewan.ca/bastudent.
7. Graduation requirements are governed by the date on which a student is admitted to the Honours program.
8. SOCI 426, which is a field placement course, does not satisfy this major's 400-level requirements.
