Deborah Saucier, President of MacEwan University, reported on the following:

- On August 3, MacEwan was honoured with a visit from the Lieutenant Governor of Alberta, the Honourable Lois Mitchell. The President accompanied her on a MacEwan University campus
tour and their interactions resulted in an invitation from the Lieutenant Governor to the Global Business Forum in Banff on September 27-28.

- On September 24, the President and Terri Suntjens, Director, Indigenous Initiatives and kihêw waciston, had an introductory meeting with the Association of First Nations (AFN) Regional Chief Marlene Poitras and AFN Advisor – NCO Jed Johns (former SAMU President). MacEwan University's actions to implement the Truth and Reconciliation Calls to Action were discussed.
- The President will participate in a scoping session at the University of Melbourne, from 8 to 10 October 2018, for a proposed Commonwealth Peace and Reconciliation Network.
- As a Universities Canada Education Committee member, beginning in October, the President will assist in the implementation of the Athena SWAN initiative, as announced in Budget 2018, to enhance the participation of women in the sciences.
- A PSLA Governance Changes Task Force is being struck in anticipation of the Government of Alberta opening the Post-secondary Learning Act (PSLA) in the Fall of 2018, for potential implementation prior to the 2019-2020 academic year.
- Institutional Analysis and Planning completed a draft survey with questions on the Fall Reading Break, which was projected for members to view. The one-page document includes background information and two multiple choice questions on different options for the break, and will be sent to all students, faculty, and staff.
  - A member suggested revising the introduction to ensure clarity that a four-day break, when combined with Remembrance Day, would result in five concurrent days off.

9.0 Question Period
D. Saucier noted that sending her questions in advance would result in more complete responses. Questions should be directed to Gina DeVeaux or Marg Leatham. Questions arising from topics discussed at the current AGC meeting are also welcome from the floor.

The following questions arose during question period:

- Why does the cost of hosting a conference or event at MacEwan seem higher than elsewhere?
  - Conference Services is run on a complete cost recovery basis. The Vice-President, Resources and People, will be reviewing those structures to determine costs compared to competitors. It was noted that Allard Hall is not a strictly educational space and is more expensive to rent than facilities in other buildings.
- Where would base funding come from for proposing conferences to use as leverage for matching funds?
  - The Provost replied that in most cases discretionary funds should probably come from the local, or Department level, as they will have a better understanding of the value of the event.

R. Baril vacated the Chair, and D. Saucier presided.
