MACEWAN TO OFFER BACHELOR OF SCIENCE DEGREE

Edmonton – In September 2009, MacEwan will begin offering a new four-year Bachelor of Science degree (B.Sc.). MacEwan is introducing this degree after meeting the rigorous scholarly standards set by the Campus Alberta Quality Council, the degree approval body for Alberta.

The Bachelor of Science is a foundational degree. It provides graduates the firm understanding, knowledge and broad analytical skills valuable in today’s world economy. The program continues to offer students the choice of transferring to another institution throughout the first two years of study.

In September 2009 the first two years of the degree will be offered, with years three and four being added in 2010 and 2011. The first graduating class of the Bachelor of Science degree will be in the spring of 2012.

The Bachelor of Science degree offers six majors, including:
- Biological Sciences
- Computer Science
- Mathematics
- Mathematical Sciences
- Physical Sciences
- Psychology

Minors include:
- Biological Sciences
- Chemistry
- Computing Science
- Earth and Atmospheric Sciences
- Mathematics
- Physics
- Psychology
- Statistics

MacEwan became the first public college in Alberta to be approved to offer degrees in 2005. MacEwan now offers a Bachelor of Arts, Bachelor of Child and Youth Care, Bachelor of Science in Nursing, Bachelor of Commerce and a Bachelor of Science degree.
