Tim Hortons Brier Athletes to receive Massage Therapy from MacEwan University Students

Edmonton—March 2 – 10, MacEwan University’s Massage Therapy students will be working as part of a health care team including physiotherapists and chiropractors at the 2012 Tim Hortons Brier at Rexall Place.

Twenty-five first and second year students will be providing therapeutic massages to the athletes immediately before and/or after their curling draw. Students will be involved with the preliminary draws all the way through the gold medal game.

MacEwan University’s Massage Therapy diploma offers a comprehensive clinical education aimed at developing well-rounded massage therapists who are able to practice in a wide range of medical and therapeutic environments.
