MacEwan University pool set to reopen on the First Day of Spring

Edmonton—MacEwan University is pleased to announce the grand re-opening of the aquatics facility at the Christenson Family Centre for Sport and Wellness on the first day of Spring, March 20.

The facility was closed in May 2012 to begin the retrofit and upgrades of the lighting, mechanical, and air handling unit. The work that needed to be done on the aquatics facility was primarily mechanical and underground.

While the upgrades were mostly behind the scenes, enthusiasm for the pool’s reopening has been building. The campus and local community is anxious to begin using the pool again.

When: Wednesday, March 20

Time: 11:00 a.m.

Where: Christenson Family Centre for Sport and Wellness

Any new members joining the Sport and Wellness Centre from March 15 – April 12 will be entered to win a fitness makeover for two. The prize, valued at $3,000 will include memberships, weekly personal training, fitness assessments, nutrition consultation, and towel and locker rentals.

For further information about the retrofit and upgrades to the aquatics facility, please go to:
