**IMPORTANT PLANNING NOTES**

1. PSYC 104 works toward the Science core requirement of the Bachelor of Arts degree. PSYC 105 works toward the Social Sciences core requirement of the BA degree.
2. PSYC 104 meets the Social Sciences core requirements in the Bachelor of Science degree. PSYC 105 may be used toward either the Social Sciences or Arts core requirements in the B.Sc degree.
3. PSYC 241 and SOCI 241 are equivalent courses. Credit can be obtained in only one of the two courses. SOCI 241 can be used toward a Psychology minor.
4. See the reverse side of this sheet for a listing of Psychology courses offered at MacEwan University. Course offerings will vary from academic year to academic year. Student may address questions about planned course offerings to the Psychology discipline chair or the Faculty of Arts and Science Program Services Office.
5. PSYC 439, which is a field placement course, does not satisfy this minor’s 300- or 400-level requirements. Please see an advisor in the Faculty of Arts and Science Program Services Office for more information.

---

This planning sheet should be used only as a guide for course planning and it should be used in conjunction with the Bachelor of Arts or Bachelor of Science degree planner. Remember: not all courses listed are offered each year and course offerings are subject to change. In the event of a discrepancy between the information presented on this sheet and that available on myStudentSystem, the information on myStudentSystem will be considered accurate.
