### IMPORTANT PLANNING NOTES

1. SOCI 100 can be used toward the Social Sciences core requirement of the BA degree.
2. SOCI 241 and PSYC 241 are equivalent courses. Credit can be obtained in only one of the two courses. PSYC 241 can be used toward a Sociology major.
3. Students who have previously completed SOCI 210 will not be required to take SOCI 310, as SOCI 210 and 310 are equivalent.
4. See below for a listing of Sociology courses offered at MacEwan University. Course offerings will vary from academic year to academic year. Student may address questions about planned course offerings to the Sociology discipline chair or the Faculty of Arts and Science Program Services Office.
5. SOCI 426, which is a field placement course, does not satisfy this major's 400-level requirements.
