We acknowledge that the land on which we gather in Treaty Six Territory is the traditional gathering place for many Indigenous people. We honour and respect the history, languages, ceremonies and culture of the First Nations, Métis and Inuit who call this territory home.

The First People’s connection to the land teaches us about our inherent responsibility to protect and respect Mother Earth. With this acknowledgement, we honour the ancestors and children who have been buried here, missing and murdered Indigenous women and men, and the process of ongoing collective healing for all human beings. We are reminded that we are all treaty people and of the responsibility we have to one another.

Your university years are a time to discover what you want to do. To explore endless possibilities. To soak up new knowledge. To learn about the world – and about yourself.

What you’ll find at MacEwan University:

» A vibrant campus in the heart of the city
» High-quality programs and people who care about your success
» Opportunities to do research, volunteer and get real-world experience
» A caring, safe and supportive community

Fall 2020 is an unusual time for us at MacEwan. Like the rest of the world, we’re operating under a new normal in response to COVID-19.

But while it’s hard to predict what our campus will look like in September 2021, we’re optimistic about the future. So, on the following pages, we’re looking ahead to a time when we welcome all of our students back to campus to study and experience everything that university life has to offer.
At MacEwan University, you’re right in the middle of it all – business, community services and the arts. Our neighbours in the heart of Edmonton are our partners – and yours – providing opportunities for you to get involved, have fun, gain valuable experience and see firsthand the difference your education can make.

**Connected**
Learn, volunteer and work with organizations across every sector in field placements, practicums, class projects and community service learning courses.

**Engaged**
Enjoy a mix of the city’s hotspots – Rogers Place, Royal Alberta Museum, Stanley A. Milner Library and MacEwan’s own Allard Hall – along with theatres, galleries, shopping, restaurants and live entertainment.

**Inspired**
Explore Edmonton’s festival culture, discover North America’s largest stretch of urban parkland and embrace your city’s love of winter.
A group of computer science students designed a life-changing mail delivery system for Boyle Street Community Services.

Nursing students complete clinical rotations at health centres, including the Royal Alexandra Hospital.

Griffins hockey teams play in the Rogers Place Downtown Community Arena.

Music and theatre students perform in Allard Hall.

Biology, anthropology, and arts and cultural management students go behind the scenes at the Royal Alberta Museum.

Business students build plans and proposals for organizations in the city’s core, including Switch Engineering and Edmonton Economic Development Corporation.

Journalism students help share our community’s stories in hyperlocal online publications like the Magpie and the Scavenger.

Located in the historic Alberta College Campus, the Conservatory of Music is Alberta’s oldest music school.

MacEwan graduates celebrate their convocation at the Winspear Centre.

Located in the historic Alberta Legislature Building, the Conservatory of Music is Alberta’s oldest music school.
You’ve got options

With dozens of degree, diploma and certificate programs made up of hundreds of in-person and online courses, you’re sure to find subjects you love, issues you’re passionate about and career pathways that inspire you.

When you do, there are so many opportunities to dig deeper – collaborating with faculty on research and special projects; exploring the world of work with field placements, practicums and co-operative education; opting for an honours program; or studying abroad.

92% students satisfied with quality of teaching

94% students satisfied with decision to attend MacEwan

Open Studies
You can take up to 24 credits (maximum six per term) in university-level credit courses if you’re not following a specific certificate, diploma or degree program. MacEwan.ca/OpenStudies
Sometimes plans change.

Whether you want to go further in your studies than you’d originally planned, are ready to exit your program early with a different credential or are looking to build off of your current certificate or diploma, MacEwan gives you options.

For more information on specific program laddering options, visit the program section of this viewbook or contact an academic advisor through MacEwan.ca/Advising.
Set yourself up for success

Build your support network
Finding your people among MacEwan’s almost 13,000 students may sound daunting, but like-minded students are already connected by academic, athletic, social, cultural or career interests – you just need to find the group that fits you best.

- 100+ student groups, including alliances, clubs and grad committees
- kihèw waciston Indigenous Centre
- MacEwan International
- Students’ Association of MacEwan University (SAMU)
- Sport and Wellness

Take care of yourself
Your physical and mental health can affect your ability to learn and grow. Our counsellors, social workers and community health nurses are dedicated to helping you stay healthy.

- MacEwan University Health Centre (including the Rainbow Clinic)
- Wellness and Psychological Services
- Peer support groups
- SAMU services
For almost 50 years, we’ve been creating and shaping the spaces and services students need to succeed. Whether you need academic, emotional, financial or cultural support, or are looking for new friends to face the future with, we’re here for you.

**Strengthen your studies**

Studying subjects that really interest you can be exciting – and challenging. If you find yourself needing extra help beyond your professors and program staff, we’re ready to help.

» Access and Disability Resources  
» Writing and Learning Centre  
» Library Services

**Explore your options**

Your education is a work in progress. Whether your interests shift, you discover a field you didn’t even know existed, you decide to go to graduate school, or you’re looking for an international experience, we can help shape the future you envision.

» Careers and Experience  
» Academic Advising  
» Study Abroad
Your safety is important. That’s why students, faculty and staff all work together to shape a university culture that is diverse, safe and inclusive.

MacEwan.ca/SafeAtMacEwan

The ways in which we approach safety are diverse — responding to the pandemic, creating a MacEwan safety app, providing cyber security and mental health education programs, building support networks. But each action we take contributes to creating a safe place for all to learn, work and visit.

» Academic Integrity Office
» Access and Disability Resources
» Centre for Sexual and Gender Diversity
» kihêw waciston Indigenous Centre
» Office of Human Rights, Diversity and Equity
» Office of Sexual Violence Prevention, Education and Response
» Peer Support Centre (SAMU)
» Safe Walk (SAMU)
» Security Services
» Student Advocacy (SAMU)
» Wellness and Psychological Services
SAFE@ MacEwan

Maybe you already have your mind made up — you know what program you want to take and you’re ready to hit the ground running.

Or maybe you’ve narrowed it down to a few programs of interest and need a bit more information to make a final decision.

Or maybe you still have no idea where to even start. That’s okay — it’s a big decision!

Here’s a guide on next steps depending on where you’re at in the decision process. Don’t worry — you’ve got this.

Applications open October 1, 2020 for the 2021/22 academic year.
Still Deciding?

Do your research
Use this viewbook — the following pages provide highlights of all of our programs. Visit the program websites for more detailed information on admissions, careers, courses and more.

Contact an advisor
If you have any questions about a program or admissions, we can help. Visit MacEwan.ca/Advising to find out how to connect with one of our advisors.

Attend Open House or an information session
Our Open House is on November 7, 2020, and this year it will be a virtual event — so explore MacEwan’s programs from the comfort of your own home. Visit MacEwan.ca/OpenHouse for updated information as we get closer to the date.

We also hold Information Session Weeks in February and March. Visit MacEwan.ca/InfoSessions for details in early 2021.

Ready to Apply?

Apply online at ApplyAlberta.ca
You can indicate a first- and second-choice program on your application.

Pay the $110 non-refundable application fee.

Now What?

Once you’ve applied, check your email
We’ll send you your MacEwan Network ID and temporary password.

Log into myPortal.MacEwan.ca to track your application and:
» Submit transcripts and other documents
» Complete additional admission criteria
» Watch for your admission decision
» Pay your admission confirmation deposit to secure your spot

Apply early if you can. Some programs admit on a first-qualified, first-submitted basis.

If you are interested in living on campus, apply online at MacEwan.ca/Residence.
Bachelor of **ARTS**

**DEGREE | MacEwan.ca/BA**

A liberal arts degree, also known as a Bachelor of Arts, allows you to explore a wide variety of subject areas, called disciplines. In addition to the specific skills and knowledge you gain in your chosen discipline, a range of learning experiences throughout your program will allow you to develop critical thinking skills, practice working in teams and enhance your creativity. You will graduate equipped to adapt, learn, analyze, solve problems, innovate and engage with the many challenges and opportunities our world presents.

Bachelor of SCIENCE in ENGINEERING

DEGREE TRANSFER | MacEwan.ca/Engineering

Get a solid foundation in applied sciences (calculus, chemistry, physics and computer programming) as you complete the first year of study toward a Bachelor of Science in Engineering. Active learning experiences, a small-class environment and a wide range of support will help you prepare to transfer to an engineering program at another university, or into the Bachelor of Science at MacEwan.

Program Length

First year only offered at MacEwan; see “Transfer Options” below for degree completion details

Study Options

» On-campus
» Full-time

Transfer Options

» Credits may be transferred to MacEwan's Bachelor of Science.

» To complete an engineering degree, credits may be transferred to other post-secondary institutions. Visit EngineersCanada.ca for a list of accredited degree-granting engineering programs in Canada.

Competitive Admission

Higher minimum overall average required

Mid-70s to low-80s
(Based on 2020/21 admissions. Subject to change. Visit MacEwan.ca/Competitive.)
ACCOUNTING AND STRATEGIC MEASUREMENT

DIPLOMA  |  MacEwan.ca/Accounting

Accountants are problem solvers, using their strong mathematical, critical thinking and communication skills to analyze situations and find solutions. This program gives you the solid foundation you need to take on the dynamic world of business. You will study financial and management accounting, tax, information technology and business law, and apply that knowledge as you learn to use accounting software and business technology, solve accounting problems and prepare financial statements.

CAREERS

» Analyst
» Junior accountant
» Payroll accountant
» Assistant controller
» Accounts payable/accounts receivable supervisor
» Accounting technician

DID YOU KNOW?

This degree is accredited by Canadian Institute of Management (CIM). Graduates meet the academic requirements for Certified in Management (CIM) and Chartered Manager (C.Mgr.) designations.
Whether your goal is a career in the challenging field of finance or the fast-paced world of marketing, or you have big plans to start your own business, empower yourself to take your career in any direction. This comprehensive and dynamic business diploma gives you the knowledge and skills to prepare you to take on any business challenge or environment.

**Program Length**

- 2 years (Business and Aviation Majors)
- 13 months, accelerated (Insurance and Risk Major)
- 1 year (Certificate exit – Business major only)

**Study Options†**

- On-campus
- Full-time
- Part-time (Business major only)

**Laddering Options**

Credits from this program may be transferable to other programs within the university, including:

- Bachelor of Commerce
- Bachelor of Arts

**MAJORS**

**Business Management**

Broaden your horizons with foundational knowledge in management, accounting, finance, human resources, communications and business law, giving you the flexibility to take your business career in any direction you choose.

**Aviation Management**

Business aviation is critical to a variety of companies that require speed, efficiency, flexibility and productivity. Combine your love of flying with a business education through this program’s unique partnership with Transport Canada-approved training centres.

**Insurance and Risk Management**

Insurance professionals are people-focused, assessing potential risks to insure their clients against unforeseen events. This major provides knowledge in business, management, finance, communication and problem solving to prepare you to meet diverse client needs.

This program prepares you to write the Insurance Institute of Canada (IIC) exams and provides eight of the 10 courses required by the IIC toward the Chartered Insurance Professional (CIP) designation.

**CAREERS**

- Operational manager
- Project manager
- Entrepreneur
- Assistant manager
- Pilot
- Airline management personnel
- Claims adjuster
- Broker

PATHWAYS

Visual Communication Design
Learn about branding, advertising, publication design, visual narrative, photography, illustration, design in the 3D environment, research methods and issues related to designing in the 21st century.

Digital Experience Design
Focus on the skills, methods and theories that are required to design websites, applications (apps), wearables, game interfaces and other digital products. You will learn to make digital products that are useful, usable and desirable.

Photography, Video and Motion Graphics
Engage in the communicative aspect of photography, video and motion graphics, and gain the technological and creative expertise required to create images that command attention and concisely deliver a message or tell a story.

Illustration
Hone your craft through fine art drawing and painting courses and develop technical skills to deliver illustrations for print publications and digital media, such as the web, video and motion graphics.

CAREERS

» Graphic designer
» Brand and advertising designer
» Illustrator
» Photographer
» App and web designer
» Digital experience designer
» Game and digital interface designer
» Video and motion graphics designer

Bachelor of MUSIC IN JAZZ AND CONTEMPORARY POPULAR MUSIC

Whether you’re watching a movie, surfing the net or attending a live performance, music is everywhere. Filling the world with music requires skilled performers, composers, arrangers, engineers, producers and experts in the business of music. Pursue the area that interests you most, and get rigorous and extensive training to prepare you for a career in music.

**MINORS**
- Music Education
- Music Technology and Production
- Music Career Management

**CAREERS**
- Performer
- Songwriter
- Composer
- Arranger
- Music director
- Teacher
- Orchestrator
- Sound designer
- Producer
- Recording engineer
- Music administrator

**MAJORS**

**Composition**
Study of composition, film scoring, songwriting, arranging and orchestration. This route also includes private lessons, performance ensembles, music career management, music technology and cultural studies.

**Performance**
Focus on private lessons and performance ensemble experience. This route also includes studies in arranging, improvisation, music career management, music technology, cultural studies and ethnomusicology.

**General**
Choose a flexible program design that includes private lessons, performance ensembles, arranging, music career management, music technology and cultural studies or choose this major to pursue one of the three minors.

**Recording and Production**
Specialize in recording and production with in-depth study of acoustics, psychoacoustics, recording engineering, mastering and production. This is the only undergraduate music major of its kind in Canada.
Hive on Five

Close to half a million bees currently make MacEwan home, living in six flow-hives on the roof of Building 5 and a ground-level bee hotel for solitary bees.
**FINE ART**

**DIPLOMA | MacEwan.ca/FineArt**

Take your creativity and ideas to the next level and develop your skills as a contemporary artist. This program is a mix of studio and academic courses focused on the entire process of creating art, and encourages exploration, skill development and personal growth. Extensive studio time allows you to study diverse art forms, including drawing, painting, sculpture, installation, performance art, digital art, video, sound art and emerging forms.

| Program Length | 2 years |
| Study Options† | On-campus  | Full-time |

**Experiential Learning**
- Fine Art Grad Show

**Competitive Admission**
- Portfolio + Statement of Intent required

**CAREERS**
- Artist
- Curator
- Art historian
- Art therapist
- Gallery and museum worker
- Illustrator
- Media production artist

**PUBLIC RELATIONS**

**DIPLOMA | MacEwan.ca/PR**

Successful organizations recognize the need to share information and build strong relationships with their many stakeholders. Public relations professionals are key to building and maintaining those relationships. Build on your previous education and sharpen your skills in research, writing and strategic communication planning, as you study public relations theory, media relations, internal communications, communication technologies and integrated marketing communications.

| Program Length | 1 year |
| Study Options† | On-campus  | Full-time  | Part-time |

**Experiential Learning**
- 8-week practicum

**Ladderling Options**
Credits from this program may be transferable to other programs within the university, including:
- Bachelor of Communication Studies

**CAREERS**
- Public affairs officer
- Communications specialist
- Community relations representative
- Media spokesperson
- Promotions coordinator
- Editorial assistant
- Special event coordinator

**DID YOU KNOW?**

This program requires previous post-secondary education.
THEATRE ARTS
DIPLOMA | MacEwan.ca/TheatreArts
Study musical theatre in Allard Hall’s world-class facilities. Take practical classes in acting, singing, voice, dancing and movement, and continue sharpening those skills as you perform in Broadway musicals and plays. In the process, you will develop transferable skills – time management, collaboration, creative problem solving and public speaking – to set you up for success in the performing arts, and in life.

| Program Length | 2 years |
| Study Options† | On-campus, Full-time |
| Experiential Learning | Full season of plays open to public each year |
| Competitive Admission | Audition required |

CAREERS
» Musical theatre performer
» Theatre actor
» Film and TV actor
» Dancer
» Public speaker

THEATRE PRODUCTION
DIPLOMA | MacEwan.ca/TheatreProduction
Learn the fundamentals of lighting, audio, video, scenic painting, carpentry, costume construction and more through class work, while gaining real-world experience as a technician working throughout MacEwan’s theatre season. In this rigorous practice-based program, you will be responsible for executing all aspects of each show’s production in partnership with professional technicians, designers and directors. Develop technical ability, critical thinking and problem solving skills in a cooperative artistic environment.

| Program Length | 2 years |
| Study Options† | On-campus, Full-time |
| Experiential Learning | Full season of plays open to public each year |
| Competitive Admission | Questionnaire required |

CAREERS
» Lighting or audio technician
» Set, prop or costume builder
» Stage manager
» Scenic painter
» Production manager
» Technical director

The newest building on campus opened its doors in January 2020. The Students’ Association of MacEwan University (SAMU) building focuses on our students – providing space for studying, gathering and socializing.
ACUPUNCTURE

DIPLOMA | MacEwan.ca/Acupuncture

Developed in ancient China, acupuncture has been practiced for thousands of years. Today, acupuncture is a regulated health profession in Alberta, and is a popular alternative and complementary treatment choice for acute and chronic illness. In this program, you’ll learn to draw from both traditional and modern approaches to help clients achieve wellness.

The program’s curriculum has the approval of the College and Association of Acupuncturists of Alberta (CAAA) and qualifies graduates to write the Pan Canadian Examination for Acupuncturists in Alberta.

Program Length
3 years

Study Options†
» On-campus
» Full-time

Experiential Learning
600+ hours clinical experience within the onsite teaching clinic

Competitive Admission
Higher minimum overall average required
Mid-70s to mid-80s
(Based on 2020/21 admissions. Subject to change. Visit MacEwan.ca/Competitive.)

DID YOU KNOW?
The curriculum for this program satisfies the requirements to write the Pan Canadian Examination for Acupuncturists in Alberta, and is approved by the College and Association of Acupuncturists of Alberta (CAAA).

Bachelor of APPLIED HUMAN SERVICE ADMINISTRATION

DEGREE | MacEwan.ca/HSA

Managing a community-based agency requires a unique skill set – passion for service, a knack for bringing out the best in people, and the ability to manage a complex organization. Build on your previous post-secondary education and work experience in the human service field, and prepare to confidently manage human, financial and physical resources, improve organizational efficiency, and meet the challenges that human service agencies face.

Program Length
3 to 6 years

Study Options†
» Online
» Full-time
» Part-time

Experiential Learning
Directed field studies

(Based on 2020/21 admissions. Subject to change. Visit MacEwan.ca/Competitive.)

---

Bachelor of **EARLY CHILDHOOD CURRICULUM STUDIES**

**DEGREE | MacEwan.ca/BECCS**

Early childhood educators care for our youngest citizens and foster their growing sense of identity and well-being through play-based learning.

Advanced study in curriculum development and leadership will prepare you to support the critical learning that is part of very young children’s growth. Throughout your program, you will also focus on issues of equity and social justice, preparing you to be a strong advocate for children and their families.

**Program Length**
- 4 years
- 2 years (Diploma exit)

**Study Options†**
- On-campus
- Full-time

**Experiential Learning**
Field placement + senior internship

**Competitive Admission**
Higher minimum overall average required
High-60s to mid-70s
(Based on 2020/21 admissions. Subject to change. Visit MacEwan.ca/Competitive.)

---

**DID YOU KNOW?**

Qualified applicants with a relevant diploma may bridge into year 3 of this degree.
Bachelor of PHYSICAL EDUCATION TRANSFER

**DEGREE TRANSFER** | MacEwan.ca/PhysEd

Turn your passion for physical activity and motivating others into a career by taking the first step toward a degree in physical education or kinesiology. This foundational program provides you with theoretical and practical knowledge in health and well-being, physical activity, sport performance and human movement.

**Program Length**
First 2 years only offered at MacEwan; see “Transfer Options” below for degree completion details

**Study Options†**
- On-campus
- Full-time

**Transfer Options**
Credits may be transferred into the Bachelor of Kinesiology at the University of Alberta or other post-secondary institution

**Competitive Admission**
Higher minimum overall average required
Low-80s to low-90s (Based on 2020/21 admissions. Subject to change. Visit MacEwan.ca/Competitive.)

**CAREERS**
- Fitness instructor
- Recreation coordinator
- Coach
- Exercise therapist
- Kinesiologist
- Athletic therapist
- Strength and conditioning specialist
- Exercise physiologist

**Bachelor of SOCIAL WORK**

**DEGREE** | MacEwan.ca/BSW

Social workers connect with individuals, families and communities to provide support and transform lives. In this program, you will explore themes including working with children and families, urban Indigenous studies, health and mental health, and community social work practice. This program has a unique focus on sustainability – how social, environmental and economic issues interrelate – and how we all fit into the larger community.

**Program Length**
2 years

**Study Options†**
- On-campus
- Full-time

**Experiential Learning**
Field placements

**Competitive Admission**
Resumé + two letters of reference + 70 hours relevant volunteer/work experience (within last 2 years) + personal/professional profile essay

**DID YOU KNOW?**
You may enter this program via:
- Accredited Alberta Social Work diploma
- OR
- 60 university-level transfer credits including SOWK 240

This degree is accredited by the Canadian Association for Social Work Education (CASWE) and the Council of Social Work Education (CSWE) in the USA.

†MacEwan University reserves the right to modify or replace the method of delivery of courses, including a temporary or permanent suspension of in-person learning in favour of virtual or online learning at any time before or during a course where the University determines that the delivery of the in-person learning presents a risk to the health or safety of the University or to a member of the MacEwan University community, or for any other reason as determined by the University. *MacEwan University reserves the right to modify or replace the method of delivery of courses, including a temporary or permanent suspension of in-person learning in favour of virtual or online learning at any time before or during a course where the University determines that the delivery of the in-person learning presents a risk to the health or safety of the University or to a member of the MacEwan University community, or for any other reason as determined by the University. Any change in the method of delivery of courses will be announced via email notification to students’ MacEwan email addresses.
Acceptable Alberta Education Grade 12 subjects, other than English Language Arts 30-1, are classified into the following four groups:

<table>
<thead>
<tr>
<th>GROUP A: HUMANITIES</th>
<th>GROUP B: FINE ARTS</th>
<th>GROUP C: SCIENCES</th>
<th>GROUP D: OPTIONAL/ELECTIVES</th>
</tr>
</thead>
<tbody>
<tr>
<td>See Notes 1 and 2</td>

1. Any one of the following courses will meet the 30-level language other than English requirement: French 21, 20S, 20N, 30S, 30N; French 31, 31A, 31B, 31C, 30-3Y, 30-9Y; French Language Arts 20, 30, 30-1, 30-2; Français 20, 30, 30-1, 30-2; Langue et Littérature 20, 30.

2. Any one of the following courses will also meet the 30-level language other than English requirement: Blackfoot Language & Culture 30; Chinese Language Arts 30; Chinese Language & Culture 30; Cree Language & Culture 30; German Language Arts 30; German Language & Culture 30; Italian Language & Culture 30; Japanese Language & Culture 30; Latin 30; Spanish Language & Culture 30; Ukrainian Language Arts 30; Ukrainian Language & Culture 30. There are other 35-level locally developed courses which may also be used to meet the language other than English requirement.

3. Equivalents of Music 30: Conservatory Canada, Grade 8 Practical and Grade IV Theory; Royal Conservatory of Music of Toronto, Grade 8 Practical and Grade II Theory; Mount Royal University, Grade 8 Practical and Grade II Theory. Documents must be presented to Alberta Education for evaluation.

4. Applicants using a Group D subject for admission must present either one 5-credit subject or any combination of two 3-credit subjects. Career and Technology Studies (CTS) courses may be used only if a minimum 5-credits are presented at the advanced level in the same subject area. Apprenticeship, Work Experience and Career and Life Management (CALM) courses are not considered for admission.

Information is as of July 2020. Visit MacEwan.ca/HighSchoolSubjects for up-to-date, accurate information.
### 2021/22 ACADEMIC YEAR ADMISSION CHART

**Competitive programs (C)** Programs may be competitive based on academic and/or non-academic criteria. Programs with competitive averages require a higher minimum average for admission than indicated on this chart. Visit [MacEwan.ca/Competitive](https://www.macewan.ca/Competitive) or the program section of this viewbook for more information.

Visit [MacEwan.ca/Admissions](https://www.macewan.ca/Admissions) for full details on admission requirements, including Regular, Mature and Equity (indicated by “E” in chart) admissions.

1. **SOCI 100 can be used as a substitution for Social 30-1/30-2. This is the only course that can be used to substitute for Social 30-1/30-2.**
2. **If no specific Group C course is listed as an admission requirement, any course from a science discipline – including PSYC 104 – can be used as a group C subject.**
3. **For admission into Bachelor of Science in Nursing, Botany and Zoology cannot be used as Biology 30 substitutions.**

Information is as of July 2020. Visit [MacEwan.ca/HighSchoolSubjects](http://MacEwan.ca/HighSchoolSubjects) for up-to-date, accurate information.
We acknowledge that the land on which we gather in Treaty Six Territory is the traditional gathering place for many Indigenous people. We honour and respect the history, languages, ceremonies and culture of the First Nations, Métis and Inuit who call this territory home.

The First People’s connection to the land teaches us about our inherent responsibility to protect and respect Mother Earth. With this acknowledgement, we honour the ancestors and children who have been buried here, missing and murdered Indigenous women and men, and the process of ongoing collective healing for all human beings. We are reminded that we are all treaty people and of the responsibility we have to one another.
