Please note that this document is being provided as a guideline only. Certain projects may fall outside the scope of REB review, and it can often be difficult to determine what types of projects require an REB submission. Contact the MacEwan Research Ethics Board at REB@macewan.ca at any time with questions or concerns.

1. Does my Project Require Ethics Review?

Nature of Project

1. Is it intended to expand disciplinary knowledge?
2. Is it intended to be generalizable / transferrable?
3. Are the use of the results intended to go beyond that of the researcher(s) or the organization?
4. Will the project only be completed if the results are applicable in a broader setting?

If ‘NO’ to all of the above, it is likely that your project falls outside the scope of REB review

If ‘YES’ to at least one of the above, your project likely requires REB review

See next page for more information
